About Me

Driven by curiosity and a thirst for knowledge, I actively seek out challenges to apply and refine my abilities in Computer Science. Committed to innovation, I aspire to contribute meaningfully to roles that foster both personal and professional development within the AI and ML landscape.

Education

- | | |
|---|--|
| • Don Bosco Institute of Technology (DBIT)
B.E. in CSE (Artificial Intelligence and Machine Learning) | Sept 2023 – Present
CGPA: 8.9 (Upto 4th Sem) |
| • Vidyanikethana P U College
Pre-University Education | Completed Mar 2023
Percentage: 93.83% |
| • Lions High School
Secondary School Leaving Certificate | Completed July 2021
Percentage: 85.76% |

Technical Skills

- **Programming Languages:** C Programming, Python (Basics), HTML
- **Data & Documentation:** Data Management (Excel), Microsoft PowerPoint
- **Core Competencies:** Artificial Intelligence, Machine Learning, Problem Solving, Time Management
- **Languages:** English, Kannada, Hindi

Projects

- **Online Shopping Management System** *[Mini Project]*
Developed a functional management system aimed at streamlining retail processes and enhancing user efficiency. Successfully implemented the system, demonstrating practical value in process automation and database management.

Highlights & Achievements

- **Hackathon Participant:** Actively participated in a hackathon organized by **The Institution of Engineers** on Engineers' Day 2024, showcasing innovative thinking and collaborative problem-solving.
- Successfully cleared various technical certification tracks to build a strong foundation in modern computing.
- Consistently maintained a high academic standing with a current **8.9 CGPA** in a specialized AI/ML engineering track.

Certifications

- Programming Fundamentals using Python
- Introduction to Cloud Computing
- Basics of Python Certification
- Introduction to C Programming

Interests & Activities

- **Volunteering:** Active participant in community service and group initiatives.
- **Interests:** Arts and Crafts, Sports, and Listening to Music.
